Bex in her new knit creation
Pattern: Nature's Gradient Wrap
Available: Dec 1

Announcements and New Products

Hillcreek Yarn Shoppe has come back home to its original location, where we began in 2003, and back to the basics of what HYS stands for. It's a smaller, cozy space. We have purged items not representing our HYS image of unique, natural, fair-trade and local fiber/yarns. Bex also picks up Indie (small independent dyers') yarns at every show to bring back to the shop. Now that fall fiber shows are over for the year, stop by the shop and see our wall of Indie yarns, including Carol Leigh's nature-dyed unique 3-ply "Riata" (silk/kid/merino) and Suri Alpaca/Merino yarns and unique wool potholder loops.

Charity Programs

Hillcreek Yarn Shoppe continues to collect and distribute donated yarns and knit and crocheted items to charity causes appreciating such items, such as hats, scarves, blankets, and twiddle muffs for the homeless, returning vets, seniors, hospital babies, chemo patients, and abused women and children. If you have an interest in assisting these causes, please drop off or send items to Hillcreek Yarn Shoppe. Donated yarns for charity causes are also welcome.
